

Smoke Free Housing Lease Addendum

Tenant and all members of Tenant's family or household are parties to a written lease with Landlord (the Lease). This Addendum states the following additional terms, conditions and rules which are hereby incorporated into the Lease. A breach of this Lease Addendum shall give each party all the rights contained herein, as well as the rights in the Lease.

1. Purpose of No-Smoking Policy. The parties desire to mitigate (i) the irritation and known health effects of secondhand smoke; (ii) the increased maintenance, cleaning, and redecorating costs from smoking; (iii) the increased risk of fire from smoking; and (iv) the higher costs of fire insurance for a non-smoke-free building;

2. Definitions:

Smoking. The term "smoking" means inhaling, exhaling, breathing, or carrying any lighted or heated cigar, cigarette, or other tobacco product or plant product in any manner or in any form. Smoking also includes use of an electronic cigarette.

Electronic Cigarette. The term "electronic cigarette" means any electronic device that provides a vapor of liquid nicotine and/or other substances to the user as she or he simulates smoking. The term shall include such devices whether they are manufactured or referred to as e-cigarettes, e-cigars, e-pipes or under any product name.

3. Smoke-Free Complex. Tenant agrees and acknowledges that the premises to be occupied by Tenant and members of Tenant's household have been designated as a smoke-free living environment. Tenant and members of Tenant's household shall not smoke anywhere in the unit rented by Tenant, or the building where the Tenant's dwelling is located or in any of the common areas or adjoining grounds within 20 feet of such building, nor shall Tenant permit any guests or visitors under the control of Tenant to do so.

4. Tenant to Promote No-Smoking Policy and to Alert Landlord of Violations. Tenant shall inform Tenant's guests of the no-smoking policy. Further, Tenant shall promptly give Landlord a written statement of any incident where tobacco smoke is migrating into the Tenant's unit from sources outside of the Tenant's apartment unit.

5. Landlord to Promote No-Smoking Policy. Landlord shall post no-smoking signs at entrances and exits, common areas, hallways, and in conspicuous places adjoining the grounds of the housing development.

6. Landlord Not a Guarantor of Smoke-Free Environment. Tenant acknowledges that Landlord's adoption of a smoke-free living environment, and the efforts to designate the housing development as smoke-free, do not make the Landlord or any of its managing agents the guarantor of Tenant's health or of the smoke-free condition of the Tenant's unit and the common areas. However, Landlord shall take reasonable steps to enforce the smoke-free terms of its leases and to make the housing development smoke-free. Landlord is not required to take steps in response to smoking unless Landlord knows of said smoking or has been given written notice of said smoking.

7. Other Tenants are Third-Party Beneficiaries of Tenant's Agreement. Tenant agrees that the other Tenants at the housing development are the third-party beneficiaries of Tenant's smokefree addendum agreements with Landlord. A Tenant may sue another Tenant for an injunction to prohibit smoking or for damages, but does not have the right to evict another Tenant. Any suit between Tenants herein shall not create a presumption that the Landlord breached this Addendum.

8. Effect of Breach and Right to Terminate Lease. A breach of this Lease Addendum shall give each party all the rights contained herein, as well as the rights in the Lease. A material breach of this Addendum shall be a material breach of the lease and grounds for termination of the lease.

9. Disclaimer by Landlord. Tenant acknowledges that Landlord's adoption of a smokefree living environment and the efforts to designate the housing development as smoke-free do not in any way change the standard of care that the Landlord or managing agent would have to a Tenant household to render buildings and premises designated as smokefree any safer, more habitable, or improved in terms of air quality standards than any other rental premises. Landlord specifically disclaims any implied or express warranties that the building, common areas, or Tenant's premises will have any higher or improved air quality standards than any other rental property. Landlord cannot and does not warranty or promise that the rental premises or common areas will be free from secondhand smoke. Tenant acknowledges that Landlord's ability to police, monitor, or enforce the agreements of this Addendum is dependent in significant part on voluntary compliance by Tenant and Tenant's guests. Tenants with respiratory ailments, allergies, or any other physical or mental condition relating to smoke are put on notice that Landlord does not assume any higher duty of care to enforce this Addendum than any other landlord obligation under the Lease.

10. Effect on Current Tenants. Tenant acknowledges that current tenants residing in the development under a prior lease will not be immediately subject to the No-smoking Policy if a Temporary Exemption is requested. The Temporary Exemption does not permit smoking by guests. The Temporary Exemption expires on the date of lease renewal in 2012 and compliance to the smoke-free policy is then mandatory. As current tenants move out, or enter into new leases, the smoke-free policy will become effective for their unit or new lease.

A material breach of this Addendum by the Tenant shall be a material breach of the lease and grounds for termination of the Lease by the Landlord. Pennsylvania law governing repair and deduct, the implied warranty of habitability, and the covenant of quiet enjoyment shall be understood to include the right to be smoke-free contingent upon cooperation of both Tenant and Landlord.
